Change of Date PD Parent and Child Session on Monday 13th August 2018

1st August 2018

Dear Parents/Carers of Year 5,

Due to a clash of events (Parents and Friends Meeting and PD Night) we are changing the date and time for the PD Parent and Child session to **Monday 13th August 2018 at 6.30pm**. We apologise for the inconvenience and hope you can attend the new session date and time.

During Term Three, Year 5 students are studying how the human body works. This includes the sexuality component of the Personal Development and Health Key Learning Area. Your role, in partnership with the school, in this component of your child's learning is significant. You are invited to a **Personal Development Parent and Child Session on Monday 13th August 2018 at 6.30pm** in the Year Five Learning Area.

The evening will involve viewing a video, 'Things are Changing', that deals with puberty and the issues children may face, time for discussion with your child and sharing with the group. The video and related resources become the teaching points covered during the following weeks as part of our Health unit of work.

'Things are Changing' is the approved and recommended resource of the Parramatta Diocese as it approaches human sexuality from a Catholic perspective and is supported by Church documents while at the same time respecting each individual family.

We are looking forward to seeing you and your child at the meeting on **Monday 13th August 2018 at 6.30 pm**.

Yours sincerely,
Mrs Smith and Miss Dooley
