On Tuesday 20 November at 7:00pm until 8:30pm, we will be holding an information night for parents of children in Year Three about the BYOLT (Bring Your Own Learning Technology) program that takes place from Year 4 to Year 6 at Our Lady of Mount Carmel. The information session will be held in the Mercy Library space. We would request that at least one parent attend the evening in preparation for next year.

On the night we will discuss the following topics:

- Reasons for a BYOD program
- How children will and do use their devices in class
- How the BYOD program will work
- iTunes accounts
- Basic cyber safety
- Responsibilities – school/child/parents
- Technology Support
- Parent Questions

If you have any specific questions you would like answered please write them on the slip below and return it to school by next Wednesday 14 November. Please complete the slip below to indicate if you will be attending the information evening

Kind regards
