PRINCIPAL'S MESSAGE

Dear Parents,

Currently our Year Five and Year Six students are undertaking an inquiry into the question *Where Do We Find Hope?* As a part of their inquiry, the students were asked to develop their own definition of the word *HOPE*. This has led me to think about the concept of Hope and how it influences our daily lives. Hope is an optimistic state of mind that is based on an expectation of a positive outcome. In our Christian experience hope is inseparable from faith. Our faith in God's love and care lead us to be hopeful about our future.

Hope sees not just what is, but what can be; it is not blind to obstacles; it takes them seriously and is practical in addressing them. Hope leads us to act purposefully in the present as we anticipate the work of Love in the future through drawing on the memory of love received in the past.

There are many moments in life where our hopefulness is tested. These are often moments of personal or global tragedy. Perhaps even moments of disappointment. We are often amazed how after experiences of loss or tragedy, individuals and communities are able to recover, forgive and continue with life. Humans are truly wondrous beings that find strength in their faith in God which allows hope to be renewed and flourish.

The entire Gospel conveys a hope-filled message of salvation and new life. This Friday, we celebrate the feast of Our lady Help of Christians, Patroness of Australia. She was chosen by the early Irish settlers to be our Patron as without a priest in the colony to celebrate Mass, they had a great devotion to Mary through the Rosary. We call on Mary to help us keep faith in order to live in hope.

Most Holy Virgin Mary, Help of Christian,

how sweet it is to come to your feet imploring your perpetual help. If earthly mothers cease not to remember their children, how can you, the most loving of all mothers forget me? Grant then to me, I implore you, your perpetual help in all my necessities, in every sorrow, and especially in all my temptations.

I ask for your unceasing help for all who are now suffering. Help the weak, cure the sick, convert sinners. Grant through your intercessions many vocations to the religious life. Obtain for us, O Mary, Help of Christians, that having invoked you on earth we may love and eternally thank you in heaven.

STAFFING UPDATE

Next week we welcome Mrs Deborah Lawrence who has been appointed temporarily as an Administrative Assistant joining Mrs Banks and Mrs Murphy in the office team. We thank Mrs Bernadette Savill who has been working in this position for her dedicated support of students, parents and staff.

Miss Pirovic will be taking two weeks long service leave commencing on 27 May. During this time the following arrangements will be in place:

- Mrs Anderiesz Acting Principal
- Mrs Nolan Acting Assistant Principal
- Mrs Haddad Acting Religious Education Coordinator

CHILDREN'S LITURGY OF THE WORD

All school-aged children are invited to attend their own Liturgy of the Word at the 10:30am Mass during terms 3 and 4. This delightful ministry only lasts about 20 minutes each week, and it's an engaging way for children to participate in the Gospel reading of the week.

FAMILY DAY

On Friday 24 May, we are celebrating Family Day, following Bishop Vincent's initiative introduced last year. Our celebrations will begin with morning prayer at 9am, later in the day at 2.20pm children will be involved in exciting activities in family groups organised by grade teachers. Siblings will spend time together and children without siblings at our school will be "adopted" for this activity.

Children are asked to wear mufti clothes and make a gold coin donation to help CatholicCare taking care of families in need of clothing, food, medicines or accommodation.

We encourage you to take time over the weekend to celebrate your family by sharing a meal or activity that you can enjoy together. May our families be like the family of Nazareth a place of peace, hope and joy. Where God our Father is always at the centre.

CHILDREN'S SACRAMENTAL PROCESS

Our families continue to attend workshops this week and next. Please pray for our Candidates and their families as they share and listen to stories of faith and love in preparation to receive and celebrate this sacrament.

TELL THEM FROM ME SURVEY (TTFM)

In the coming weeks, every diocesan school will be inviting students from Years 4 to 6, teachers and parents to provide feedback on their experience of their school using an online "Tell Them **W** Tell Them From Me From Me" survey. The surveys are an important part of our whole school evaluation and planning HELP US TO ACHIEVE POSITIVE AND PRACTICAL CHANGE AT SCHOOL process. We value the role of all stakeholders within our school community and greatly appreciate

the feedback. The information survey participants provide will be used to maintain our commitment to working together in partnership, to further improve student learning and wellbeing. The survey is anonymous and will take approximately 20 minutes to complete. If you do not want your child to take part in the survey, please contact Mrs Anderiesz. Please keep an eve out for the URL link to access the survey coming home soon.

OLMC GREAT BOOK SWAP!

Last year, the Indigenous Literacy Foundation raised over \$270,000 from the Great Book greatb Swap. In 2019, their goal is to raise \$350,000 to gift 35,000 new books to remote communities who want and need them. After all, how can you learn to read without books? Help us, help them, by making a donation to our Great Book Swap page and sharing it with your friends, family and colleagues! https://bit.ly/2YDLy3B

On the 4th of September (Indigenous Literacy Day) OLMC will be hosting their own Great Book Swap! Family and friends are invited to bring a book and gold coin donation to support those children living in remote communities that have reduced access to literature.

Our Great Book Swap not only signifies the importance of a love of literacy and learning but also advocates for those living in more than 280 remote communities across the country. If

you would like to donate a book/books before this date you can drop them into the School Office in a plastic bag marked Mrs Anderiesz. Monetary donations and event details can be found at https://bit.ly/2YDLy3B

As part of our new Religious Education curriculum, Stage Three have been trialling the new Learning Cycle - Hope through Scripture. The approach to this new learning cycle will be inquiry-based learning where the students will guide their own learning through the posing of questions and concepts that they can then explore deeper throughout the term. This approach will give the students a chance to delve deeper into the aspects of Religious Education that they are interested in and can work together to explore what it is that they are keen to learn more about.

The learning cycle - "Hope through scripture" allows students to explore through the message of the scriptures how we connect our joys and struggles with those of others. Students have been learning about where we find hope and how can we as children of God make connections with the emotions, wonderings and concerns that people in the Bible experienced. We will also be looking at the role scripture plays in our understanding of hope and how it influences our prayers of hope.
