PRINCIPAL'S MESSAGE

Dear Parents,

The single statement that defines the expectations of our entire school community is.....

The Community of OLMC is Safe and Respectful

This includes the children, staff and parents. This statement is demonstrated each day in many different ways by the overwhelming majority of our community. We see this in action through the way...

- the children interact with each other
- the children offer to help another person
- teachers instruct the children during their lessons
- teachers coordinate extra-curricular activities for the children
- the office staff assist the parents each day
- the office staff provide first aid to hurt children
- parents greet the teachers at the gate
- parents demonstrate patience with each other on the road during pickup and drop off times
- we all respectfully and calmly seek to understand what is happening
- we respectfully hold each other to account about the way we follow the expectations

There are times when this expectation is not demonstrated. Sadly this occurred yesterday afternoon when a number of our teachers were rudely and aggressively spoken to by some of our parents during the afternoon pickup. ***This behaviour is never acceptable.*** As parents, you are a model of behaviour for your children, I am certain that none of us would allow our children to behave in this manner.

The afternoon pickup time is a time when teachers are on high alert as their focus is on ensuring the children are safe and ready to be collected by the parents. Unless there has been an announcement that there will be classroom pickup, no parent is permitted to enter the classrooms. Usually a staff member will be on the front playground directing parents. If you are unsure if this is the process you need to check with the office staff.

The school day concludes at 3:10pm in the afternoon. We open the school gates earlier as a courtesy to parents, providing an opportunity for you to connect. However, if parents are not behaving in a safe and respectful manner towards staff or each other we will need to reconsider this arrangement.

Every day my staff and I make decisions based on the situation that is in the best interests of **all** children. We will never put the children in an unsafe situation. Should you have concerns about something, it is expected that you speak respectfully to a staff member about them.

2020 SCHOOL BAND

There has been an overwhelming interest in the School Band and Instrument lessons for next year. There was an online component to the registration process please make sure that this is completed along with the note. Please click on the link for [Lesson Registration](#) to do this. Members of the captivate team will be at school tomorrow conducting assessments to find the right instrument for the children. Particularly with the wind and brass instruments as these require our mouths to be able to work in a specific manner.

WHITE RIBBON DAY

Monday the 25th of November is White Ribbon Day. The White Ribbon Campaign is a global movement of men and boys working to end male violence against women and girls, specifically focusing on changing the attitudes and behaviours that lead to violence against women. The victims of violence are not merely statistics; they are our wives, sisters, mothers, daughters, aunties, friends and colleagues. As a community we believe violence (in any form) is never acceptable and that every person has the right to feel safe and respected in their relationships. At OLMC we primarily focus on being safe and respectful in all that we say and do, knowing that the most impressionable members of our society are constantly watching us for guidance, your children.

If you or someone you know is experiencing violence and need help or support, please contact one of the support hotline numbers below.

Year 4 C.A.R.E.S. Excursion

On the 5th and 6th of November, 4 Blue and 4 Gold went on a C.A.R.E.S. excursion to Prospect, it was a great trip. We all enjoyed it a lot.

Some things we did were: learnt that C.A.R.E.S. stands for Community and Road Education Scheme, learnt about all the road signs, such as the Stop sign, the Give Way sign, and the Round-A-Bout signs. Before we rode bikes (or trikes) we had to learn about

the 4S', they were... scanning, smoothly making your move, safety and signalling.

We had our own licences while we were riding with our names and twelve demerit points on each, which helped us follow all the rules on the road. Officer Carmen and Officer Rami, who were real police officers, were helping us succeed throughout the day, along with all our parent helpers.

All the grown ups (fake officers) took demerit points from us by punching holes in numbers on our licenses when we were not safe on the road (going through a red light, going through a stop sign and not signalling).

I bet all the children in Year 4 would *adore* going to C.A.R.E.S. Prospect again, because it was the best excursion ever!
