PRINCIPAL'S MESSAGE

Dear Parents,

Sometimes we encounter concepts in the Scriptures that confuse us or we find difficult to make sense of. For me, one of these concepts is presented in the Gospel reading this week that tells of *the transfiguration of Christ*. So just like the children of OLMC I did some research and turned to someone who could help me. Here is what I found out:

I started looking for definitions and learnt that **transfiguration** means to transform or to change into another form. It also means to change the outside to match the inside. I made the connection with the word metamorphosis which we commonly associate with the transformation of a caterpillar into a butterfly.

So the next thing I did was to then ask a person who I knew could help me.... Mrs Nolan. She helped me to understand that what occurs in this transfiguration is that the human Jesus, who was always divine, revealed His divinity to His beloved disciples. Up until this point Jesus' divine nature was hidden in his human form. This revelation takes place in the presence of three disciples who stood as human witnesses to the divine glory that was Christ's. There were also three heavenly witnesses, Moses (the lawmaker), Elijah (the prophet) and the voice of God from heaven saying **'This is my Son, whom I love. Listen to him!'** According to Old Testament law, three earthly and divine witnesses are required to attest to any fact, therefore legitimising this experience.

Transfiguration of Our Lord

Mrs Nolan has often spoken about the symbolic links between the Old and New Testaments and this is an example of that link between the covenant made in the Old Testament and the renewal of the promises with Jesus in the New Testament. This covenant defines the relationship between Christian believers and God.

The transfiguration of Jesus that the disciples experienced was not simply something they were to see and experience as happening to Jesus alone. It was also an invitation for them to undergo a transfiguration of their own. This then leads my thinking to ponder what this transfiguration means for me. It calls us to listen to Jesus and all that He invites us to be and do, however much it may seem to go against the conventions of the world we live in. It means having total trust in walking Jesus' way and that this will bring us into full union with God as the source of truth, love, happiness and peace.

So we try to live the words God spoke to the disciples....

'This is my Son, whom I love. Listen to him!'

GETTING TO KNOW OUR SPORT LEADERS

I am very happy to take on the responsibility of a sports leader and I'm will try to make the school a better place. My hobbies are watching Netflix playing basketball, football soccer and tennis and talking Lebanese. Peter

As a Sports Leader, I am able to share my creative ideas. I play basketball, soccer and running. I train every day in basketball to become the best that I can. I am very ecstatic about becoming a sports leader. Christian

I'm the sports leader for gold. I love being a sports leader it helps me to get to know people more. I love to play lots of games also love animals, I have four animals at home. GO GOLD! Madeline

Being a sport leader means that I have to take on more responsibilities. I'm a black belt in Karate which means I'm already a leader in some way. Being a sport leader is exciting and thrilling and I can't wait until we do more things for the school like swimming carnivals and sports carnivals. Matilda

CHILDREN'S SACRAMENTAL PROGRAMME

FAQs: *My child is from another Rite (Maronite/Melkite/Coptic, etc), can they still celebrate with their friends?* Your child's baptism certificate would be your first point of reference; it tells you which sacraments your child received. Baptism and Confirmation are one-off sacraments, they are not repeated, but Holy Communion can be received every day. Talk to your child about their faith background, about the beauty and richness of those traditions. If you'd like your child to have greater understanding of the sacrament, you're welcome to enrol them in the process and attend workshops. If they've already been Confirmed and received their first Holy Communion at baptism, they're welcome to celebrate with their friends as guests. For all sacramental enquiries, please sms Paola on 0414 947 799 or email paola.olmc@gmail.com.

PROJECT COMPASSION

How many taps do you have in your home? How would your life change if you did not have any taps or fresh water?

This year during Lent we are taking part in Project Compassion. We are raising money for people in the Solomon Islands who have no fresh water available in their homes. Every \$5 raised provides one tap in each house. Our goal is **\$2000** by the end of this term. HELP US REACH THIS GOAL! Year 6 Student Leaders

NATIONAL DAY OF ACTION AGAINST BULLYING & VIOLENCE

On Friday 15 March 2019, Australian schools will stand united in their communities to celebrate the ninth National Day of Action against Bullying and Violence. OLMC will be involved in this initiative for 2019. Each class will set some time aside on

Friday to explore bullying, what it looks like and some of the strategies to tackle this problem. This aligns with our school wellbeing goal and our focus on continuing to develop a safe and respectful community. The Bullying No Way website is equipped with an extensive range of information for parents and schools. The videos under the heading 'What Is bullying?: Definition of Bullying' are a good resource for families. As a school will focus on the slogan, '**STOMP OUT BULLYING.**' www.bullyingnoway.gov.au

BULLYING. NO WAY!

PREMIER'S READING CHALLENGE 2019

The 2019 Premier's Reading Challenge (PRC) has begun and we are again encouraging all students to participate! Today children will bring home their PRC online login details for you to begin updating your child's reading record. Children in Kindy to Year 2 are required to read or experience 30 books from the challenge list. Children in Year 3 to Year 6 are required to independently read 20 books from the challenge list. The books in our library are labelled with stickers to make it easy to identify books that are on the challenge list. The Kindy to Year 2 teachers will record books that they are reading with their class and Mrs Anderiesz will add these books to student records. Click on the link to find information related to privacy at the [PRC Website](#). All student reading logs must be finalised before August 30. Please direct any questions you may have to Mrs Anderiesz.

KINDERGARTEN 2020

Kindergarten 2020 Enrolments have commenced. Last week's open morning was attended by approximately 30 families, with many of them completing and returning their enrolment forms already. Please let family and friends know that packs can be collected between 8:30am and 3:30pm from the school office. There are two more open mornings organised for prospective 2020 Kindergarten families:

Wednesday 27 March - 9:30am
Wednesday 8 May - 9:30am

SPOTLIGHT ON RE

All children are unpacking their major Scriptural focus as they prepare for GOD DAY on Tuesday 9th April. As we begin to understand the new RE curriculum children will be unpacking Scripture at 3 levels. **Surface level** .. what is the story about, who are the characters, when and where did the events occur. **Deep level**... looking at the social/economic/political/theological background of the Scripture passage. **Transfer level**.. how do we live this in our everyday life? What are the implications of our faith? How do we celebrate/pray/live and worship the message and meaning of the Scriptural focus?

Year 5 Excursion to Parramatta Riverside Theatre

Last Thursday we went to the Riverside Theatre in Parramatta to watch the Billionaire Boy play (The book we have been reading in class).

My experience of it was extremely astonishing, it was really good. The way that they customised their own money was really cool and we even got to keep a note if we caught some. It must have been a big job for the actors to learn all of the scripts, they must know the words off by heart and put in a lot of effort! At one stage there was a helicopter scene and it looked and sounded exactly like a helicopter would! All of the scenes looked extremely realistic, Billionaire Boy's house was also nice as it was all gold! My favourite character was Raj as he made a hilarious song and just his personality was very funny too!

Marcus

My experience of it was great, it had very catchy songs and they weren't bad. There was money that they threw around and we were allowed to take some. I think they must've put a lot of hard work into it because they had to fit the important parts of the story in a limited amount of time. I really liked how one person was multiple roles in the play like the servant, who was also the bully. I really liked the play and it was very fun. My favourite character was Raj. He was really funny and had a hilarious song called Purple Pain. Going to the theatre was a great experience for us all. For many of us, it was our first experience of a theatre production. We have been able to compare the book to the play and have many discussions about why the scriptwriters left out certain scenes from the story. Thanks to our teachers for organising this wonderful experience for Year Five.
