## PRINCIPAL'S MESSAGE

Dear Parents,

This week our children in Year 3 and Year 5 have been participating in the 2019 NAPLAN assessments. Each year this period always brings a range of feelings for children and parents. We always want our children to do their best in all their endeavours and NAPLAN is just one of these. It is important to remember that your child's achievement in NAPLAN is just one small chapter in the very detailed story of your child's life.

Throughout our life we will face many tests and challenges, at this time for our children, NAPLAN presents one of these moments. Sometimes we need to work hard under pressure. Sometime we will need to perform to a standard or complete tasks within a set time and we will be evaluated on it. These moments will make us feel a certain level of stress or worry, and we will need to sit with this discomfort. But by being prepared and doing our best we learn that those feelings will pass and life goes on.

On Tuesday after completing the writing test I asked the children how they felt. The children overwhelmingly responded that they felt they performed well. They also said that the experience was better than they thought it would be. Through this experience and our conversations the children are discovering how to get on with things and put them into perspective. This lesson in resilience is an important one for our children.

A sense of perspective helps us to identify the proper place of NAPLAN and other tests that we experience. **Our children are so much more** than their NAPLAN result, their report mark, their rugby score or the instrument they play! They are the effort they put in to a task; the picture they drew; the curiosity they followed chasing that bird; or the kind hearted offer extended in an invitation to play.

So as you send your child off to school during this NAPLAN period, wish them well and remind them that they just need to try their best and that you love them.

*So Much More*

*Sadly Anthony the brother of our students Gabby (Year 4) and Olivia (Year 1) needs to have a heart transplant. The family have had to relocate to Melbourne to receive treatment for Anthony until he is able to have a transplant. As you would be aware the health care cost of this procedure are significant. OLMC friends have set up a Go Fund Me page to support the family. The following link is available for anyone who wishes to contribute to the [Go Fund Me](#) page to help Anthony and his family. We pray for the family and that Anthony's treatment is successful.*

## STUDENT DATA VALIDATION

Our school requires accurate and up-to-date student information as part of our duty of care and to support the needs of all learners. To ensure the information we currently have is correct, we are asking families to validate key information such as contact details and emergency contacts. Some families will have received an email from Catholic Education Diocese of Parramatta asking them to validate the information on record. We ask families to complete the survey by 31 May 2019. Any questions about the survey can be directed to the Community Liaison team on 9840 5796.

## SPOTLIGHT ON RE

The month of Mary has traditionally been the month of Mary. It began in the 1600's as a way to venerate Mary, Mother of God and in the 1940s it again became a popular time of Marian devotion. The month of May is fitting as it is after Easter when we have much to thank Mary the Mother of Jesus for. As His mother, she not only gave birth to our Saviour but at all significant events in Her Son's life she was there, just like mother's today. She was present at His first miracle at Cana, She accompanied Her Son on His journey to Calvary, She was there at his death and She was with the Apostles at His Resurrection. At school we say the Regina Caeli (Queen of Heaven) at midday each day until Pentecost as our Marian devotion during May. At home you may like to say a Hail Mary when the family is together at some time during the day.

## CHILD PROTECTION

If you would like to assist in classrooms, on excursions or for sports carnivals, you need to complete **two** online components **and** attend a child protection briefing, held at the school, every two years. The online 'Undertaking for Volunteers form' and 'Child Protection Training' module can be found at <http://childprotection.parra.catholic.edu.au/volunteers>. It is a system requirement for adults who volunteer in schools to complete these components **before** working with children. Please see 'Upcoming Dates' for information regarding the two Child Protection Briefings being held next week.

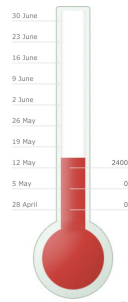

## OLMC LITTLE FREE LIBRARY

OLMC has gained a new library! Even though its official name is yet to be decided, it is bursting with amazing fiction and non-fiction texts for ALL ages! We are inviting all families to our grand opening on Wednesday 29th May at 9am. Families are also welcomed to stay for our parent information session, focusing on reading and writing with your child at home.

## EARN & LEARN

The Woolworths Earn and Learn program is in full swing! Sticker sheets have been sent home for you to stick your Earn and Learn stickers to and extra sticker sheets are available in the office. Please place completed sheets in the E&L boxes, located in the office foyer and outside the student entry on the front playground. So far we have collected 2400 stickers!! So ask your family members who shop at Woolworths to save their stickers for our school.

## Year 5 Excursion: Police and Justice Museum

Where we went...

Year 5 went to the POLICE AND JUSTICE museum in the city.

What we did...

When we first arrived at the museum the hosts showed us where to put our bags and then we went into the courtroom. After some talking we got split into 3 groups. My group went where all the weapons were, we even got to go in a cell with all the lights off! Finally we went back to the court and some children from each class played a role in a court trial about John Vane the bushranger. After we finished our excursion at the Justice and Police Museum we went to the Botanic Garden to have recess and lunch.

What we learnt....

Marie - Jose: I learnt that bushrangers were not only good but bad too because they used to steal gold and kill people, including police officers, for their gold/money.

Sanjana: I learnt that people went crazy when they found there was gold hidden underground

What we enjoyed....

Sanjana: I liked when some students from both classes acted out a play about a bushranger trial and also when I got to be a jury member (in the audience) and wear a funny costume.

Marie - Jose: I liked it when the host showed us the weapons they used and what they used to wear.

Year 5 had the best time ever at the the POLICE AND JUSTICE museum.

3 May 2019

Dear Brothers and Sisters in Christ,

The recent bombings and deaths in Sri Lanka have shocked many of us and those to whom we pastorally minister.

Whilst not all who died were Catholic, the majority were Catholic, and in keeping with Catholic tradition particularly in South Asia, the Diocese of Parramatta will celebrate a Month's Mind Requiem Mass to pray for all who were killed in Sri Lanka.

A Month's Mind Requiem Mass is typically celebrated one month after a person's death and is held in memory of the deceased.

I will be celebrating this Mass at St Nicholas of Myra Parish, Penrith on Sunday 19 May at 10am.

I ask too that you make this Mass known to your communities and invite them to this celebration.

During these sad times when people continue to sin against God's gift of life in such a violent way, let us continue to pray for and support each other.

Every blessing in this Holy Season of Easter.
